

## HLT-700U combined with EA-100KA to make more food products

Can be combined with EA-100KA Forming Machine to make spherical filled food, such as xiao long bao, pan fried stuffed bun, and meat pie.

Max. capacity: **6,000** pc/hr  
Product Weight: **10-80** g/pc

## Multipurpose Filling and Forming Machine

### HLT-700U

### Let ANKO Create a Dumpling Production Solution for You.

With ANKO's custom-made automatic dumpling production line solution, you can have all manufacturing machines, plus a practical and comprehensive proposal taking into consideration the preparation of dumpling filling, ingredient proportions of dumpling wrappers, shape, cooking methods, package, and freezing.

### Specifications

Capacity:  
**2,000–12,000** pc/hr

Product weight:  
**13–100** g/pc

Dimensions: 1,515 (L) x 615 (W) x 1,640 (H) mm  
 Power: 6.5 kW  
 Weight (net): 565 kg  
 Optional accessories: Filling rotor, Standard mold, Artisan mold, Noodle mold, CE kit

**48-liter filling hopper**  
 Helps decrease refilling times and increase the overall efficiency of human resources.

**Optimized dough feeding screws**  
 Make dough pass screws directly and be extruded smoother to prevent spinning problem.

**Innovative airway design**  
 Maintains air flow in and out to form dumplings into an attractive shape.

**Adjustable dough thickness**  
 With a simple turn of a nut, the dough thickness is easy to adjust according to your needs.

**Easy-to-use control panel**  
 User-friendly interface allows you to operate the machine easily and up to 99 recipes can be saved.

**Filling hopper with stepper strip**  
 Prevents filling from spinning in the hopper and keep filling feeding stably.

**Enhance water resistance**  
 Upgraded rubber seal can exactly fit the machine cabinet frames.

**Obtained the Certificate of Conformity to Machinery Directive**  
 Obtained the Certificate of Conformity to Machinery Directive. The machine complies with the EU safety regulations and has the CE marking. You could choose the model to ensure working safety.
